### **Compassion UK**

Flooding in March in Ilha Grande, Brazil, affected 600 homes in the area and hit two Compassion projects. The state government declared a state emergency. Conditions have now improved and schools reopened.

*"Heavenly Father, we pray for all those who've been affected by the heavy rain and flooding in Ilha Grande. We thank you for your hand of protection over families living in the area, keeping them from serious devastation. We ask that you comfort and draw near to those impacted by the flooding, keep them safe as they regain their strength after this traumatic experience. We also pray for the churches in Ilha Grande and those involved in the relief effort. We ask you to strengthen and safeguard them as they support those in need. In Jesus' name, amen".*
